Golden West is hiring a full-time **FIELD SERVICE TECHNICIAN I** in both Dell Rapids & Hartford, SD.

If your idea of “a day at the office” includes dirt roads, toolboxes, sturdy boots, and getting things working, we’re a perfect match! Bonus points if you’re in your element out in the elements.

Golden West is a century-old company that owes its success to hardworking employees. The **Field Service Technician** plays a key role in serving our customers and maintaining our high service standards. In this position, you’ll be responsible for installing and repairing broadband, voice, and cable TV services for residential and business customers.

We’re looking for a high school graduate, GED or equivalent. Associates degree in Telecommunications or Networking preferred, or an equivalent combination of education and experience.

For a full listing of job duties and qualifications and to apply, visit our website at goldenwest.com/careers. Background check and drug screen required.

Golden West offers competitive pay and a generous benefits package including paid vacation, personal, and sick days; 401(k) plan with robust company contribution and match; relocation assistance; health/dental/life/disability insurance; and more.

Golden West is committed to cultivating and preserving a culture of inclusion, equity, and connectedness. We can grow and learn better together with a diverse team.

Golden West is an equal opportunity provider and employer.
